PLAINTIFFS' OBJECTIONS TO THE MAGISTRATE'S
REPORT AND FINDINGS

TO THE HONORABLE JUDGE OF SAID COURT:

Comes Now the Plaintiff, Arthur Carson, pursuant to 28 U.S.C. 636, and Rule 72(b)(2), Fed. R. Civ. P.,
to which Plaintiff objects to the Findings and Report made herein and the lack of disclosure to Plaintiff
These findings other than by Electronic means.

1). On July 3rd, 2011, Plaintiff submitted to This Court His request for Extension of Time to file Objections
To the Magistrate's Report. Also, Plaintiff asked the Court in His Prayer to provide Him a copy of the
Magistrate's finding , Report, because the Electronic filing Plaintiff received of the Court order did-
Not contain any details of the Findings, only the dismissal aspect.

Plaintiff is unable to make any meaningful Objections since He has not been privy to the details of
This Report. In accordance with The Northern District Court's Local Rules, 77.1(d), the Court should

Provide copies of the contents of the Magistrate's Report. As Plaintiff made known to the Court, "His Electronic Transmissions of the Magistrate's order did not contain pertinent facts of the Findings and Report made by the Magistrate Judge."

(2). Plaintiff's complaint was sufficient and in accord with Rule 8(a)(1), fed. R. Civ. P., the Magistrate's Findings were premature, since Plaintiff was in essence required to prove His claim at its infant stage.

WHEREFORE, PREMISES CONSIDERED, Plaintiff Pray This Court Over-Rule The Magistrate's Findings and Report. ALTERNATIVELY, The Court Order the Clerk provide Plaintiff copies of The Written findings made, and permit Plaintiff to file Amended Objections after reviewing the written Report, And what all else this Court deem Just under law.
